

# TOGETHER, WE ARE DEFENDERS OF POTENTIAL

Big Brothers Big Sisters is committed to safe, healthy, happy relationships. In light of the COVID-19 pandemic we are focusing efforts to ensure the safety and health of our staff and all our volunteers.

**Our Volunteers:**

To ensure match safety, we are temporarily suspending in-person match meetings and REACH activities. Enrollments and interviews can be done via skype or Facetime if all parties involved have the capabilities. Community-Based matches can stay in touch via phone FT, skype, email and text. No in-person meetings are recommended. Site-Based matches can stay in contact by writing letters to each other sent through our office to ensure safety.

**Our Office:**

We will be working remotely effective March 18<sup>th</sup> until further notice. Our office hours will remain the same. All meetings will remain as scheduled so long as they can be done on-line or over the phone. If meetings are changed, you will be notified by the organizer.

We will be posting updates on Facebook so please check our page at BBBSNEW for new developments.

Thank you for your continued support of Big Brothers Big Sisters. Let's all do our part to take care of each other.

Be safe. Be well.
